

We are a Christ centered ministry that focuses on building relationships with our clients with mentoring once a month by appointments. In the mentoring process this will be your time to receive prayer, encouragement, and support for life. Also, you may **request** needed items such as household, furniture and toiletries. We unfortunately do not have a means to deliver your furniture items but, we will place your item on hold for a week for you to arrange for a pickup on Fridays during our open hours. You may receive two furniture items in a six month period.

Along with meeting your mentor every month and requesting your needed items Agape offers client choice in our food pantry. What that means is you will be able to personally shop for your food every month during your appointment. Each appointment can take up to an hour or more to go through the whole process.

We also have a clothing boutique for men, women and children. You can shop for each person in your family up to 15 items.

At Agape our prayer is that you feel valued and loved by God the Father and His Son Jesus Christ. Those who serve at Agape come from many different church homes and serve because Christ loves us and we want you to know His love. All of the food, clothing, furniture, toiletries and household items are 100% donated. We believe that God knows your needs and wants to reveal Himself through us in small ways. We have no paid staff at the Center and are vessels for your blessing.
